

PDGF-A

Product Information

Cat

CPDGFA-9

Product Name

PDGF-A

Source

Recombinant

Description

PDGF promotes mitosis and promotes skin cell regrowth. Repair subcutaneous blood circulation microsystem and promote wound healing.

INCI Name

rh-polypeptide-8

Appearance

White Powder

Solubility

Soluble in water

Storage

Store at -20°C

Function

Anti-aging; Wrinkle resistant peptide; Heal Scars

Recommended Dosage

50ng/mL
